SATEEN COLLECTION

100% COTTON SATEEN

300TC easy care

The designs have been inspired by watercolors of the most famous Lithuanian aquarellist Ramune Kmieliauskaite.

It is a dream-come-true for us to transfer treasured artworks onto textiles bringing the beauty of Ramune's watercolors to the bedroom and convert it to a fabulous piece of interior décor. After a long process of exploring and testing we finally reached the desired results: the best design and long-lasting quality.
