SOLID COLLECTION

ABOUT

Solid color bedding is chosen by those who love simplicity. We have prepared a collection of single-color bedding covers for those who want to stay calm and create accents in the bedroom with other “instruments”. Enjoy our 100% Egyptian long-fiber combed cotton sateen bedding. The “easy care” standard has been applied in the fabric production process. The fabric is easy to iron, wrinkle resistant and does not fade for a long time. The color palette is full of shades from which you are sure to find the right one for you.
